AMENDED CERTIFICATE OF PUBLIC GOOD ISSUED
PURSUANT TO 30 V.S.A. SECTION 248

IT IS HEREBY CERTIFIED that the Public Service Board of the State of Vermont ("Board") this day found and adjudged that the Certificate of Public Good originally issued to Triland Partners, LP on November 30, 2010, for the installation and operation of a solar electric generation facility in Williamstown, Vermont, is amended to reflect a transfer of ownership to GASNA 14P, LLC, subject to the following conditions:

1. Construction, operation, and maintenance of the proposed project shall be in accordance with the plans and evidence as submitted in these proceedings. Any material deviation from these plans must be approved by the Board.
2. GASNA 14P shall comply with any applicable requirements regarding the disclosure of renewable attributes that are established in other proceedings, including Docket 7533, and Board Rules.
3. GASNA 14P shall pay the entire cost of the distribution system upgrades.
4. GASNA 14P shall implement the system protection and control strategies recommended by the System Impact Study for the proposed project.
5. During construction and operation of the proposed project, GASNA 14P shall comply with all conditions requested by the U.S. Army Corps of Engineers, in order to avoid dredging, filling, or mechanized land clearing in all the Class III wetlands located on the site.
6. All construction activities shall comply with the site-specific Erosion Prevention and Sediment Control Plan developed for the proposed project.
7. Prior to proceeding with operation, GASNA 14P shall comply with the screening requirements of the project landscaping plan.

8. Prior to commencement of construction, GASNA 14P shall submit to the Board for review and approval a plan for the creation of a decommissioning fund that includes the following information: (1) an estimate of the cost of decommissioning; (2) assurance that \$5,000 of the decommissioning costs will be dedicated to the requirements of the Soil Reclamation Plan; (3) assurance that the Fund is backed by an irrevocable standby letter of credit or other appropriate A-rated financial security; (4) assurance that the Fund be adjusted annually for inflation using the current annual Consumer Price Index as determined by the Bureau of Labor Statistics; and (5) assurance that the Fund is bankruptcy-remote in order to protect it from creditor claims in the event the proposed project encounters financial difficulties. Parties shall have one week from the date the plan is filed with the Board, to file any comments.

9. Prior to proceeding with construction, GASNA 14P shall obtain all necessary permits and approvals. Construction, operation, and maintenance of the proposed project shall be in accordance with such permits and approvals, and with all other applicable regulations, including those of the Agency of Natural Resources.

10. Within 30 days of the completion of construction of the proposed project (including installation of all landscaping), GASNA 14P shall arrange a site visit with the Board and all parties to review the effectiveness of the aesthetic mitigation measures, as installed. As a result of this inspection, the Board reserves the right to require GASNA 14P to install additional mitigation measures.

11. The Board reserves the right to require GASNA 14P to install additional noise mitigation measures if the Board determines that operation of the proposed project results in undue noise levels.

12. This Amended Certificate of Public Good shall not be transferred without prior approval of the Board.

DATED at Montpelier, Vermont, this 5th day of December, 2011.
